I spoke with Abu Bakr today and he is working with a potential investor for our group. He is anticipating meeting with the investor in London on November 4, 1998.

He would like both of us to make tentative arrangements to be in London on November 3, 1998 to prepare for the meeting. He will confirm whether we should come by Saturday.

I am preparing a package for him and will send it to his hotel before he leaves the US.

I look forward to speaking with you shortly.
